

Helen Keller Hospital Remote Access

The Helen Keller Hospital Remote Access webpage is located at <http://remote.helenkeller.com>. This page will provide physicians and employees access to available Helen Keller Hospital resources for patient care.

For remote access to our health information system, including Meditech and the EHR Portal, please contact the Keller IS Department at **256-386-4200**

For questions concerning the EHR Portal, please contact the Keller Medical Records Department at **256-386-4016**.

EHR Portal

The EHR Portal is accessible from the Helen Keller Hospital remote access page located at <http://remote.helenkeller.com> by selecting EHR Portal. To access this page please have your Meditech user name and password ready. This webpage is only compatible with the Internet Explorer web browser.

The first time you login to this webpage from your computer a small Active-X plug-in will need to be installed. Please install this plug in when prompted.
